

The 5-Day Sarbanes-Oxley Boot Camp

:: 24 – 28 October 2005

:: Swissotel Merchant Court

INTRODUCTION

The Sarbanes-Oxley Act (SOX) has been described as the "most broad-sweeping legislation" since the Securities Act of the 1930s. It has been alluded to as "Y2K without an end" and as "Y2K on steroids". Enacted by President Bush in 2002 in response to such corporate accounting scandals as Enron and WorldCom, the Act is transforming how business is done in corporate America and around the world.

The comprehensive weeklong Sarbanes-Oxley Boot Camp is an opportunity for you to experience virtually every important element of SOX and how it applies to your job, your career, your company and your industry. This is the most thorough SOX training program in the world and, through a series of simulation workshop exercises, it is designed to address the unique needs of finance, accounting, IT, legal and audit professionals alike.

What are the benefits?

- Gain practical Sarbanes-Oxley skills you can use on the job
- Access to a wide range of SOX-related experts and instructors
- Increase your effectiveness on the job in days, not months and years
- Network with your colleagues and peers in the same and different industries
- World-class course material from the most carefully selected course designers
- Actionable learning, case studies, classroom discussions and ample time for Q&A
- Complete "turnkey" comprehensive Sarbanes-Oxley training program
- Knowledgeable employees make a more compliant and ethical organization

What will you learn?

- Intent of Sarbanes-Oxley and why it is important to you and your organization
- What caused the recent corporate governance failures and how to prevent them
- The tenets of Sarbanes-Oxley CEO and CFO Certifications and Disclosures
- The role of Internal and IT Audit, and a comparison to the COSO Framework
- Sarbanes-Oxley related bodies including SEC, FASB, PCAOB and COSO
- Sarbanes-Oxley Compliance Planning and Implementation Methodology
- Impact of Section 302 (Certification and Disclosure) and 404 (Internal Controls)
- Key sections of the Sarbanes-Oxley Act (specifically 302, 404, 409, 103, 301)
- The future impact of Sarbanes-Oxley in North America and around the world
- How and why SOX impacts virtually everyone in every department
- Career opportunities created by Sarbanes-Oxley and how to leverage them

Why train with us?

- The most comprehensive SOX training and certification programmes
- Continuously updated, improved and revised to keep current with changes
- Benefit from our world-class real-world training methodology
- Real-world certified instructors and Sarbanes-Oxley professionals
- Active, hands-on exercises to gain practical skills that you can use immediately
- Outstanding value for your investment of time and money
- Opportunity to network with like-minded professionals
