To Whom It May Concern:

INTELLITRAIN PTE LTD ("Intellitrain")

I have worked with Intellitrain on various projects and events in which they were the event organizers during the past 5 years. This was in my roles as Vice-Chairman of the Society of Construction Law ("SCL") in 2004 and 2005; as Chairman of the SCL from 2006 to August 2008; now as Immediate Past Chairman and Council Member of the SCL, as well as Council Member of the Singapore Institute of Arbitrators ("SiArb") in 2006 to August 2008.

The SCL events included the SCL's International Construction Law Conference in October 2006, the joint annual SCL-Law Society of Singapore construction law conferences from 2006 to 2008, and various seminars and industry networking events.

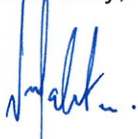

The SiArb events included the inaugural Regional Arbitration Institutes Forum conference in Singapore in 2007 and the SiArb 25th Anniversary Gala Dinner in 2006.

In addition, Intellitrain has served as the Secretariat of the SCL in Singapore since January 2007, and their duties include organizing meetings and events; assisting the Council and sub-committees in their activities; financial and membership management; and general day-to-day administration of the society.

I am pleased to record that all the above events were highly successful, in terms of attendance and quality, as well as management and financial results. I must add that this was due largely to the dedication, conscientiousness, experience and professionalism of the team from Intellitrain, ably led by June Tan and Gabriel Lim. Their performance as the Secretariat of the SCL has also been great, with pro-active attention to quality, efficiency and details.

I am pleased to record my gratitude, and write this testimonial for Intellitrain upon my recent retirement from the position of Chairman of the SCL, and would definitely recommend them to other organizations and for future events.

Yours truly,

Naresh Mahtani
